

Sponsorship & Advertising 2026

The 45th Force Support Squadron promotes over 400 different, specifically-targeted events per year. We have a diverse array of potential customers at our golf and bowling tournaments, club events, recreational programming, youth activities, fitness events and festivals.

Welcome to Patrick Space Force Base

45th Force Support Squadron

Thank you for taking that most important “first step” toward becoming a part of the Patrick Space Force Base and Cape Canaveral Space Force Station family. We know you’ll be impressed with the diversity and reach of our programs while looking at the pages of this book.

It highlights a wide variety of activities Patrick Space Force Base hosts for over 6,000 Airmen and Guardians, Retirees, Cadets, DoD Civilians, and their families. The 45th Force Support Squadron wants to partner with you to provide a

unique opportunity to market your company to our very exclusive audience.

All our events are designed to improve the quality of life for those who sacrifice so much daily.

We understand those sacrifices and enjoy teaming up with local and national companies to pay back as much as we can.

Please keep in mind, not all our opportunities are listed in this book. We can customize your package to fit your goals and look forward to welcoming you into our military family!

“One team... delivering assured space launch, range and combat capabilities for the nation.”

Opportunities

Advertising and Sponsorship at MWR programs bring you closer to our military members, civilian personnel and their families as well as the general public. Show your support through direct contact with our military via quality of life programs.

- Provides brand visibility at events through signage, event programs, displays, sampling and more.
- Provides recognition through facility banners and digital advertisements, on-site announcements and other promotional opportunities.
