Valued campground patrons,

Thank you for your continued patronage and support of the Manatee Cove Family Campground. Your contribution to the installation Morale, Welfare and Recreation (MWR) Fund continues to have a marked impact on the ability to sustain the operations of the Patrick SFB MWR activities for current and future generations of our military forces.

Nonappropriated funds are approved and we are preparing for the execution of the following campground improvement projects: replacing the community center exterior decks and pet run fencing and replenishing 220 tons of limerock on 80 sites.

We are continuing to execute the payback commitments to the Air Force for the 2014 project to renovate the community center; the 2015 project to add 33 new sites, upgrade all sites to full hookup, pave all campground roads and add a second shower/laundry facility; and the 2018 project to renovate the older shower/laundry facility. We are grateful to have given back \$23,000.00 to the campground community during the 2021/2022 peak season for social activities such as weekly bowling and karaoke, monthly catered picnics, and a Holiday dinner at the Tides Club.

Despite a challenging economy and unprecedented minimum wage increase that went into effect on 6 Feb 2022 that resulted in a 50 percent pay increase for much of the nonappropriated fund workforce, we remain committed to providing quality services, facilities and programs for our patrons.

Effective 1 June, 2022 the campground fees will be adjusted as follows. Payments made prior to this date will be honored for their duration.

Standard Site	High Season (Oct – Mar)	\$28 per day	\$715 per month
Standard Site	Low Season (Apr – Sep)	\$26 per day	\$665 per month
Premium Site	Year Round	\$37 per day	\$940 per month

Fees have also been adjusted for recreation lodging, RV storage and rental equipment, and also in other MWR activities on the installation. More information is on display in each of the activities and their respective web page at [www.GoPatrickFL.com](http://www.GoPatrickFL.com).

We understand our patrons have a choice on where to conduct their recreational activities. We look forward to meeting your recreational needs with quality facilities, services and programs that will create lasting memories for our military community members.
