

MilitaryChildCare.com (MCC) is the one stop shop to capture your family's need for mission-related 24/7 and Extended child care. Follow these easy steps to start the process:

1. Visit MilitaryChildCare.com (MCC) and login to your existing account or create an account if you are a first time visitor.
2. Click Find Child Care.
3. Select the child in need of care, the date care is needed, and the location(s) where care is needed.
4. If 24/7 Care and/or Extended Care are available, select the care needed from the list of care types and describe your work schedule.
5. Select Next to view the list of family child care providers offering 24/7 Care and/or Extended Care and submit a request for care. You will receive an offer for care when space becomes available to meet your needs.

If 24/7 Care or Extended Care are not available at your location:

1. Use the link provided onscreen to complete an interest form for 24/7 or Extended Care and describe your work schedule.
2. The installation Community Child Care Coordinator or Family Child Care Coordinator will then contact you to provide assistance in locating child care to meet your needs.
