

ANNOUNCEMENTS AND NOTICES

WE NEED YOUR HELP in reporting things that do not appear to be normal or allowed under our community policies. If you see suspicious activity or witness theft, please call Security Forces at 321-494-2008. For sightings of improper discharges into the Marina basin, please call Florida Fish & Wildlife Commission (FWC) at 1-888-404-3922. With your help we can keep the Manatee Cove Marina a safe and pristine community!

VESSEL SAFETY CHECKS All boats kept at the marina are encouraged to have the VSC completed annually. Our Coast Guard complimentary Saturday Vessel Safety Check is available again. As a courtesy, the Marina will assist in making an appointment for you.

LIMITED PARKING During high volumes of patronage, please use the golf course parking lot as overflow. Parking on the grassy areas could result in parking tickets/fines.

LEASE AGREEMENT RENEWALS Anyone with a boat stored at the marina (wet or dry storage), must sign an annual agreement. When your vessel/trailer registration is due, your lease agreement is due.

NO OIL RECYCLING AT THE MARINA Call the marina office for information: 321-494-7453.

PICNIC POINT AND DECK RESERVATIONS When permissible reservations will be approved on a case-by-case basis. Military functions exceeding the established group gathering maximum will require approval from the SW/CC. Proof of approval must be present at time of reservation.
