Vessel Safety checks are to be completed annually as part of your mooring agreement and are provided at the Marina by the Auxiliary Coast Guard.

Please sign up in the Marina Office and an Auxiliary Coast Guard member will contact you to set up a time and date.

Bring/email a copy of the inspection to the Marina Office once complete.

Important Reminders

Slip and/or dry storage renters are required to sign a lease on an annual basis, provide and maintain current insurance and registration, and complete an annual sea and roadworthy inspection. Slip and/or dry storage subletting is strictly prohibited. Loss of rental privileges may occur. The vessel and/or trailer must be removed from the installation prior to selling.
