MANATEE COVE CAMPGROUND

There are no restrictions on the number of sites available. A Public Health Order is still in effect and authorizes those who have received both COVID-19 vaccination shot to refrain from wearing masks. All others must continue to wear a mask. Please do not ask others of their vaccination status. If you are concerned, we highly recommend you continue to protect yourself by wearing a mask and maintaining a six foot distance from others.

RECREATION LODGING

We are extremely pleased to announce the completion of the renovation of each lodging facility. All three units are now available for rent. We have also returned to the routine 3, 4 and 7-day rental packages and do not require a break in between rental periods. Please be advised the popularity of these facilities remains high and occupancy is approximately 90% year-round. We highly encourage customers to reserve well in advance. The facilities may be reserved up to one year in advance. Due to the high demand of these facilities, requests for more than a 7-day rental period or for more than one unit during the same reservation dates, must be approved by the ODR Director. Under no circumstances will a customer be able to rent for more than 14 days (includes no follow on rentals in different units); nor will one customer be able to rent more than two of the three units at the same time (including overlap).

RV STORAGE

Wait time for the 25' and over lots continues to be a minimum of 18 months.

There are currently 24' and under lots available.
