Thank you for choosing Outdoor Recreation as your recreational vehicle storage resource. We make every effort to reduce your placement time. In doing so, customers who wish to remain on the waiting list must submit a new application, in person, one year from the **date received**. Applications past the renewal date will be removed from our waiting list. Please note, it is the sole responsibility of the requester to ensure all contact information is current. Outdoor Recreation management reserves the right to proceed to the next person on the wait-list if the requester does not respond within 24 hours of attempted contact.
